

# GJC Women's Club 2007-08

## New Faces = New energies = New Ideas

For the third consecutive year as presidents we are privileged to have this opportunity to introduce The Women's Club to you with the confidence that now more than ever you will want to be a part of our group. We are very excited that this year we have many new faces on our Board and Executive Committee. These women are connected to GJC through the Early Childhood Program, Religious School, Social Action Committee or through our three davening minyanim. They have already been participating in the summer planning sessions and invigorating us with their new ideas, energies and enthusiasm.

While many of us in the congregation are traveling the globe or at the shore enjoying the ocean, others of us are taking advantage of the relaxed months of summer to plan for the coming year. We have developed our calendar of events and have enclosed a copy for you. Our programming chairs have been hard at work and have successfully secured several speakers and performers for some interesting programs that we know will contribute to the stimulating environment of GJC. We have also opened our Board meetings to all Women's Club members so you can share your thoughts and ideas with us. We are excited about the New Year and hope that you will join us, come to our programs and be counted among the varied and vibrant women of our Centre community.

- ❖ As the High Holy Days approach, we would like to extend an invitation to all GJC women. We ask those of you who have been members of Women's Club for the past year to rejoin our ranks. To those who have not joined, we encourage you to make this the year you give us a try. Help us grow and expand and bring your vigor and input to our group. Participation in Women's Club provides much needed support and funding for projects and activities that benefit everyone affiliated with Germantown Jewish Centre. Joining Women's Club also provides you with the opportunity to meet and socialize with a wonderful group of women.
- ❖ As we approach the New Year 5768, we also invite you to participate in our lovely High Holiday Greetings Booklet. For just \$18.00, your name and the names of family members can be listed to wish the entire congregation a joyous and healthy new year. This special booklet will be distributed on Rosh Hashanah to all who attend any of the High Holiday services throughout Germantown Jewish Centre.

We cannot expect to convey in one letter our sense of excitement for what is sure to be a terrific year and only hope you will choose to be a part of the Women's Club of GJC. Wishing you a joyous New Year, Shana Tova,

Your Presidents:

Connie Katz
