## Programming & Childcare (pre-registration required, form on back)

**Rosh ha-Shanah Family JAM (Jewish Arts & Movement) on September 9 at 6:00 PM**

The Torah teaches that in the beginning, God created two great lights to light up the world, and the ancient rabbis tell a story of how one of the lights became the sun and the other the moon. During Rosh ha-Shanah, we celebrate the birthday of the world, but from past to present, we still struggle to appreciate the need to make space in the world for everyone to spread their light. On erev Rosh ha-Shanah, GJC invites you to enter a lush dreamscape where we tell the story of how the sun, the moon, and the star learned to share the sky. How did the moon stop being jealous of the sun? And what did the sun learn from the star? *The program is followed by a delicious holiday meal by Centre Catering (TKS). \$10/adult, \$5/child (age 5+). Please register at [www.germantownjewishcentre.org/RH-Dinner-5779](http://www.germantownjewishcentre.org/RH-Dinner-5779).*

**Childcare (6mth-1<sup>st</sup> grade) | see separate flyer for full details**

GJC's High Holiday childcare sessions are supervised by teachers from GJC's Early Childhood Program, with teens assisting in the classrooms. Each session includes time on the playground (weather permitting), stories, and supervised play. Full details on separate flyer. See back of flyers for pricing details.

**Kids' Lunch (pre-registration required) | \$5/lunch**

Children 6 & under should attend lunch with an adult. Registration is required for lunch for kids of all ages!

**PLEASE NOTE:** All children below 7<sup>th</sup> grade must be supervised at all times, either by an adult family member or in one of our high holiday programs/services. Children of all ages are welcome to participate fully in all of our High Holiday services and programs in the Charry Sanctuary and our minyanim!
