

FAMILY PORTRAIT SESSION

With a keen eye and sharp sensitivity, Shira Yudkoff has been photographing weddings, B'nai mitzvot and public events for over a decade. Her photographs are extraordinary, and she is willing to work with your family to create an heirloom either at her studio in the Italian Market area or on location in Philadelphia. After the shoot you will receive a minimum of 30 edited, high-res images and two (2) 8" x10" fine art prints.
