

OLD-CITY PHILADELPHIA HISTORICAL TOUR WITH SAM KATZ

Join documentarian and historian, Sam Katz, on a mutually agreeable Sunday for a two-hour walking tour of old-city Philadelphia. Sam will entertain you and a group of up to 8 people with new stories and new characters – none of the usual suspects. He will highlight the web of religious institutions, the site where yellow fever that led to an epidemic was first discovered, the creek that ran through the heart of the old city. And so much more....
