

# PRIVATE TOUR OF THE BARNES FOUNDATION

You and your guests (party of 8 total) will enjoy a private docent led tour of one of the country's most legendary collections – an unequaled concentration of Impressionist and Post-Impressionist paintings installed in a dense mix of Asian, African and American Indian art and artifacts, with decorative ironwork.

The Barnes is closed on Tuesdays, but open the other six days of the week from 10:00-5:00. The tour is good through February 29, 2020.

Compliments of Steven J. Harmelin, Trustee
